

INDIVIDUAL RENTAL AGREEMENT

Inflatable / Toy / Game Rental - Updated Planning Template

Rental Terms

This agreement applies to individual rental of selected toys, inflatables, games, or play equipment when available for off-site rental. The renter agrees to use the equipment only as instructed, maintain appropriate supervision, and return or make the equipment available for pickup at the agreed time and in the agreed condition, ordinary wear excepted.

Equipment Care & Damage Responsibility

The renter is financially responsible for damage to Celebrate property that occurs during the rental period and results from misuse, prohibited activity, failure to follow equipment rules, intentional acts, negligence, unauthorized movement or alteration of equipment, or failure to provide reasonable supervision. This includes, without limitation, tears, punctures, cuts, burns, stains, broken components, missing parts, and damage to inflatables, toys, games, furniture, or accessories.

Damage charges: repairable damage will be charged at the actual reasonable cost of inspection, cleaning beyond ordinary use, parts, labor, and repair. If an item cannot be safely or reasonably repaired, the renter may be charged the actual replacement cost of the item, plus any directly related shipping or replacement expense. Celebrate will document the damage and provide an itemized charge or supporting invoice/estimate when reasonably available. **No automatic fixed tear/puncture fee is stated in this template until Celebrate adopts a written damage-fee schedule.**

The renter must immediately stop use and notify Celebrate if an inflatable develops a tear, puncture, seam failure, air-loss issue, or other condition that may make continued use unsafe. The renter may not patch or repair Celebrate equipment without written authorization.

Loss / Missing Equipment

Missing equipment, accessories, parts, or toys may be charged at the actual reasonable replacement cost if not returned after notice and a reasonable opportunity to locate/return the item.

General Terms

The final business version should also specify the rented item(s), rental period, delivery/pickup, setup requirements, weather policy, cleaning, deposit, payment, cancellation, and any adopted damage-fee schedule.
