

PARTY ACTIVITY WAIVER

Guest Participation & Equipment Care - Updated Planning Template

Participation & Supervision

Participation in active children's play is voluntary and can involve ordinary risks such as falls, trips, collisions, or contact with equipment. Parents or legal guardians remain responsible for appropriate supervision unless a separate written arrangement states otherwise.

Participants must follow posted rules, age/size restrictions, equipment instructions, and staff directions. Unsafe or improper use is not permitted.

Care of Equipment

Participants and supervising adults must not intentionally damage, cut, puncture, climb on prohibited surfaces, move, alter, misuse, or attach unauthorized items to inflatables, toys, games, furniture, or other Celebrate property.

Any tear, puncture, breakage, missing part, unsafe condition, or other damage must be reported to Celebrate staff immediately. Financial responsibility for chargeable damage is governed by the party booking contract or applicable rental agreement signed by the responsible adult.

Legal Notice

Nothing in this template is intended to waive rights that cannot legally be waived under applicable law. The final version should be reviewed and adapted by qualified local counsel.
